Acquisition Update #7

Ames Multiple Award Construction Contract (MACC) II

The purpose of this update is to answer questions asked in regards to the Final RFP. One question, number 13 on the Questions and Answer set 3, is a General Question which is in regards to whether or not the offeror hand delivering the proposal will need a badge. Please email Patricia Finnell-Mendoza at patricia.f.mendoza@nasa.gov to request a badge. Please provide in the email the person's name (first and Last), Company name, and if they are a US Citizen or not. A valid driver's license with picture identification will be required before being badged and allowed access to the facility.

I am working on a couple of other questions that came in today and hope to have them posted by COB on Thursday June 6, 2013.
